

Grading Guidance

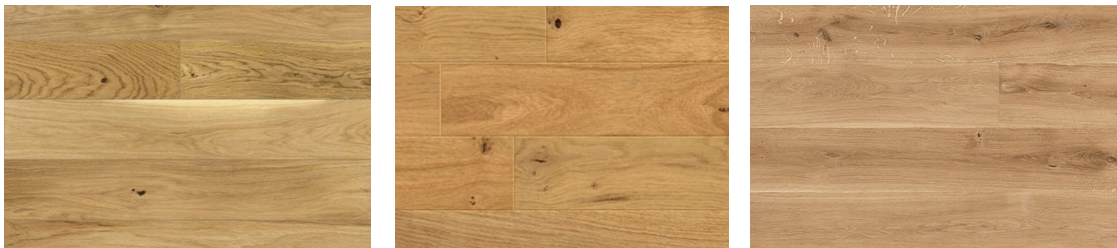

Select & Better (AB)

Select & Better is a premium grade of hardwood flooring that offer an elegant appearance suitable for upscale interiors. Consists of mostly heartwood, allow some color variations ensuring a cleaner and more polished finish. This grade contains fewer natural imperfections such as mineral streaks, and other blemishes compared to lower grades,

Select Grade (ABC)

Select Grade – Contains all the variations in color produced by the contrasting differences of heartwood and sapwood. Also contains minimal visible character marks such as pin knots, mineral streaks and slightly open characters. The combination creates a visually interesting floor where light sapwood and dark heartwood are combined with small characters and other small color interruptions.

Character Grade (ABCD)

This grade encompasses a full spectrum of wood features, including knots, mineral streaks, color variations, and grain patterns, providing a unique and character-rich appearance. Millrun grade is more affordable than higher grades, making it a budget-friendly option without compromising on the natural beauty of hardwood.
